

SUMMER MENU

At The Daily Coffee Café, coffee is our craft. We know our beans, understand coffee lovers, and we deliver exactly what they want. Our signature medium-roast blend, made from 100% Arabica beans sourced from East Africa, is roasted by us, offering a rich, smooth flavour in every cup.

Our menu, inspired by fresh local produce, balances variety with wholesome ingredients. From all-day breakfasts and hearty lunches to plant-based options and cakes baked in-house, there's something for every taste.

Seasonal updates keep things fresh. However,
one thing never changes:

“The Daily – all about good coffee with lekker people!”
