

WINTER MENU

At The Daily Coffee Café, coffee is our craft and passion. We source our 100% Arabica beans from East Africa and roast our signature medium-roast blend using air roasting for a consistently rich aroma and smooth, full flavour in every cup we serve.

Our menu is inspired by fresh, local produce - from all-day breakfasts and wholesome lunches to plant-based options and cakes baked in-house.

Seasonal updates keep things flavourful.
However, one thing never changes:

“The Daily – where good coffee brings locals together!”
